Hopefully this newsletter will explain the benefits to your business of the exposure available through the **OzeVouchers** (*FreeShoppingVouchers.com*) program.

We are offering businesses from all sectors the opportunity to advertise on the Internet at **absolutely NO COST**.

Test the water, see if it works and pay nothing.

As **OzeVouchers** is a new entry into the on-line arena we cannot promote the website until we have product to display and we therefore cannot expect businesses to pay for a non-proven concept.

So we are putting our money where our mouth is, the infrastructure is in place, the site is up and running, we just need vouchers to take it to the next level. We are prepared to produce and display a block ad promoting your services on <http://www.FreeShoppingVouchers.com> for the next few months at **no cost to you** what so ever.

When we have a sufficient quantity of vouchers we plan to increase awareness of the site using local press and radio. We then expect to be in a position to demonstrate response levels and seek quarterly subscriptions from our advertisers.

We are already increasing our awareness due to listings on GOOGLE & NINEMSN search engines and this is growing everyday, just look for "Shopping Vouchers" on either engine and see for yourself.

So how can we help you increase your business

We will promote YOUR BUSINESS on the internet at no cost what so ever for the next 3 to 4 months (or even longer if you don't get the results you expect)

To enable us to do this we require some basic information:

Firstly, think of a catch phrase that will encourage people to contact you with a view to using **your services**, forward it to us and we will produce your voucher. Supply a list of preferred postcodes for the voucher to be displayed and it's done !!! Or apply on-line at <http://www.OzeVouchers.com.au/join>

Visit www.OzeVouchers.com.au and enter 3134 or 3132 as the postcode to view more vouchers.

Remember, **no cost, no on going commitment.**

Secondly, please pass on this offer to as many business colleagues as you can, the more vouchers we have, the more word will spread, the quicker we can make this work for everyone.

Help me **spread the word about your business** by spreading the word about **OzeVoucher**
